STAFF INSURANCE SCHEME

Plenary meeting of the insured members and the Management Board

Every year the Management Board of the CERN Staff Insurance Scheme (Pension Fund and Savings Fund) holds an information meeting to which all members of the Scheme are invited. The meeting is normally held after the end of the calendar year. In view of the relatively advanced state of the work of the Director General's Working Group on Pensions Policy, the Board feel that it would be of greater benefit to members if the meeting were held in the early spring rather than in January.

Notice will be given in due course as to the exact date.

CAISSE D'ASSURANCES

Réunion plénière des membres de la Caisse et du Comité de Gestion

Le Comité de Gestion de la Caisse d'Assurances du CERN (Caisse de Pensions et Caisse d'Epargne) organise tous les ans une réunion d'information à laquelle tous les membres de la Caisse sont conviés, et qui a généralement lieu en début d'année. Compte tenu du stade assez avancé des activités du Groupe de travail du Directeur général sur la Politique des Pensions, le Comité pense qu'il serait préférable, pour les membres de la Caisse, que cette réunion se tienne au début du printemps et non en janvier.

La date exacte sera communiquée en temps utile.
